

# HYANNIS OPEN STREETS

*Come play in the street!*

**May 19 & October 20, 2024**

**Rain dates: June 2 & October 27, 2024**

Our mission is to give everyone a chance to play in the street (or walk, bike, dance, and socialize) by closing Main Street, Hyannis, to automobile traffic. To increase residents' and visitors' awareness of everything our historic downtown offers. And to create a Main Street that encourages social, environmental, economic, and public-health ideals.
